Erin:

We updated the ASR slightly based upon your comments. We sent messages to the Dioxin labs asking for more details about turnaround times, methods, etc. Our QAPP is done, but we will need this information included so it is likely that we will turn it in on Monday. John and I have to leave early today.

Do you have a contact that I can send the QAPP to on Monday while you're on vacation? Will you be back on the 16th or 23rd, I can't recall?

I'm available by mobile and I'll check email.

Thanks,

Mike
